Swag Labs

The screenshot shows the Swag Labs login interface. At the top, there are two input fields labeled "Username" and "Password". Below them is a green "Login" button. A dark overlay box contains the following text:

Accepted usernames are:
standard_user
locked_out_user
problem_user
performance_glitch_user
error_user
visual_user

Password for all users:
secret_sauce

Swag Labs

The screenshot shows the Swag Labs login interface. The "Username" field is filled with "standard_user" and the "Password" field contains a series of dots. Below them is a green "Login" button. A dark overlay box contains the following text:

Accepted usernames are:
standard_user
locked_out_user
problem_user
performance_glitch_user
error_user
visual_user

Password for all users:
secret_sauce

Call Test Case 'Test Cases/Login/1.1.1 - User login with standar_user' successfully

Swag Labs

The screenshot shows the Swag Labs login interface. At the top, there are two input fields labeled "Username" and "Password". Below them is a green "Login" button. A dark overlay box contains the following text:
Accepted usernames are: standard_user, locked_out_user, problem_user, performance_glitch_user, error_user, visual_user
Password for all users: secret_sauce

Swag Labs

The screenshot shows the Swag Labs login interface. The "Username" field is filled with "standard_user" and the "Password" field has "secret_sauce" typed into it. Below them is a green "Login" button. A dark overlay box contains the following text:
Accepted usernames are: standard_user, locked_out_user, problem_user, performance_glitch_user, error_user, visual_user
Password for all users: secret_sauce
